Minutes

Matters Arising

DC had submitted a response on behalf of the LDC to the NHS consultation on the 10 year health plan.

Black Country LDCs/ICB Meeting

There had been a meeting of this group on 30th January, where it was still generally felt that the ICB achievements were not significant.

The group was due to meet again in May with Wolverhampton LDC as hosts and a joint AGM style meeting with guest speakers and CPD was planned for the autumn.

All three members present had attended this event in London in November. A report had been circulated.

LDC Elections

Nominations for the biennial elections were due to close. At present there were fewer nominations than vacancies so an election would not be necessary.
